

23rd June 2010

Dear Peter

Congratulations on securing Tennis Clubmark accreditation for Manor Road Tennis Club. It is great for everyone involved in British tennis to know that your club and coach are doing a great job on court and have best practice policies and procedures in place off court.

I hope you have found the Tennis Clubmark process useful and that your club begins to reap the rewards. Clubs that have achieved Tennis Clubmark report many benefits including:-

- Increased membership
- Coach/volunteer development
- Raised club profile
- Access to funding
- Confident well organised committee

Thank you for the great contribution your club is making to British tennis and display your plaque and certificate with pride, it's a great achievement.

Best wishes
